

**CITY OF MISSOURI VALLEY
CITY COUNCIL MEETING
MISSOURI VALLEY PUBLIC LIBRARY
Tuesday, June 4, 2019
6:00 P.M.**

Mayor Kelly presided over the meeting and called it to order at 6:00 P.M. with the following Council members present: Pfouts, Struble, and Tiffey. Absent: Gunderson, Stueve. Also present: Leonard Ratliff, Mary Jo Buckley, Melba Struble, Sally Salter, Tom Salter, Bruce Kocher, Jerry Webber, Jim Olmstead, Connie McLaughlin, Linda Coddington, MiLinda Coddington, Dave Scott, Leonard Johnson, Jan Johnson, Caleb Wohlers, Vonda Ford.

The Pledge of Allegiance was recited.

Kelly asked Council for any comments or additions – Tiffey requested and will be 12a.

Motion by Pfouts, second by Struble to approve the agenda for the June 4, 2019 meeting.

Motion by Struble, seconded by Tiffey to approve the following items on the consent agenda Minutes from May 21, 2019 City Council Meetings, Claims list, Park, Street, Water, Safety Committee Reports, Cigarette/Tobacco/Nicotine/Vapor permits for Quik-Pik, Family Dollar, PetroMart, Casey's General Stores, Taylor Quik Pik, Foodland Super Market.

Library Director Kocher gave the library report for May. Every Tuesday this month there will be a board game time. Local artist work is on display this week. Wii sports has been started as another activity. Door count, check outs, new patrons and e-book check out are all up from last May. Encouraged all patrons to take advantage of summer reading program.

Sally Salter stated there was a problem at the dog park. The northwest end was almost dry but a construction company across the street pumped water over into the area. The ditches and tubes need cleared. The standing water is a health hazard for people and dogs. She wants the dog park to be a reflection of the community. The standing water in places it shouldn't be needs to go.

Dave Scott stated Sally needs a big hand. The new drainage tax has passed. Water needs to run east to west, always has. A transit needs to be used. Tubes need to be cleaned out like they used to be. The standing water is the worst he has ever seen. Does the city now have to work with the drainage districts since this new tax has taken effect?

City Engineer Jim Olmsted gave updates on several projects. 5th Street contractor has not completed close out items. Final payment is being held. Contractor has stated they will be here next week to complete. Midstates Bank has received letter for the Tamarack project. Midstates seems to be on board with requirements within letter. Street study is continuing and started on water and sewer studies. Iowa DOT and Corp of Engineers working on HYW 30 bypass. Jim has been in contact with Tom Jarosz concerning Case Implement's request to connect to city sewer system at their cost. Does not see anything wrong with it, will just have to review plans.

Motion by Pfouts, seconded by Struble to table street repair at Petromart pending more planning and cost, seconded by Struble. Motion carried on a 3-0 vote.

Motion by Pfouts, seconded by Tiffey to close West Superior from Boston to Portland for tube installation with work to start on June 5, 2019. Motion carried on a 3-0 vote.

Motion by Pfouts, seconded by Tiffey to approve the Procurement Policy. Motion carried on a 3-0 vote.

Motion by Struble, seconded by Tiffey to approve Moores Plumbing for jetting out tubes on W Huron ST (7 tubes). Approximate cost \$4375. Motion carried on a 3-0 vote.

Council member Tiffey wants more accountability within the parks and streets. Reports given to council should have more detail. It should include fuel, equipment, man hours, etc.

Mayor Kelly spoke on the sink hole a citizen called him about. This issue will be looked at.

Motion by Pfouts, seconded by Struble to adjourn. Motion carried on a 3-0 vote. Meeting adjourned at 6:35PM.

Shawn Kelly, Mayor

Attest:

Vonda Ford, Deputy Clerk
