A status report of monitoring and testing of COVID19 in Iowa is provided by IDPH and can be found [here](#). In addition, a public hotline has been established for Iowans with questions about COVID-19. The line is available 24/7 by calling 2-1-1 or 1-800-244-7431. The state of Iowa has started sharing the number of negative tests conducted at outside labs, and is providing additional information on the conditions of those infected with COVID-19.
