- PER HARRISON COUNTY AND MISSOURI VALLEY, IOWA'S 28E AGREEMENT, ALL CONSTRUCTION DEBRI MUST BE PROPERLY DISPOSED OF AT THE HARRISON COUNTY LANDFILL.

- COVERED LOAD POLICY: HARRISON COUNTY LANDFILL

To prevent any type of waste from blowing onto area roadways and into ditches, Harrison County adopted a policy, (Resolution 96-11 in November, 1996), that all loads delivered to the landfill must be covered securely (even if waste is in bags or containers). Trucks and trailers must also have a tailgate. The only exception to this policy is that brush can be securely tied instead of being covered.

This covered load policy, conforms to the State of Iowa Statute 321.460.

A vehicle shall not be driven or moved on any highway, by any person, unless such vehicle is so constructed or loaded or the load securely covered, as to prevent any of it's load from dropping, sifting, leaking, or otherwise escaping, or it's load covering, from dropping from the vehicle.

Failure to comply with this covered load policy will result in a \$10.00 fine being assessed by Harrison County Landfill. (NO EXCEPTIONS)

If you have questions concerning this policy please call the Harrison County Landfill at (712) 644-3093.

- ALL WORK IS TO MEET CURRENT CODES AND ORDINANCES AS ADOPTED BY THE CITY OF MISSOURI VALLEY.
