NOTICE TO APPLICANT

I, the undersigned, agree to pay for all utilities provided by me by the City of Missouri Valley, Iowa. If I fail to pay bills on a timely basis, I understand that water service may be disconnected. In the case of disconnection for non-payment, I understand that full payment of any outstanding balance and a reconnection fee will be required in order to have water service reconnected. I understand the deposit made with this application will be retained by the City of Missouri Valley until I no longer use water. My final bill will be taken out of my deposit, and the balance, if any, forwarded to me. Upon termination of services, I will have 30 days to pay my final bill. If payment in not received in full upon the end of the 30 days I will receive notification that within 10 days my account will be turned over to the State of Iowa's Offset Program with a \$25.00 administrative fee.
